A **Establishing a physical therapy diagnosis and prognosis**

B Prescribing medication for the patient's condition

C Performing surgery

D Issuing a driver's license medical clearance solely under a physician order

ANSWER **A**

WHY Physical therapists evaluate patients, establish diagnoses and prognoses, and develop and implement plans of care within their professional scope.

QUESTION 4 SINGLE CHOICE

Which statement best describes the role of a physical therapist assistant in Ohio?

A **The assistant performs selected physical therapy interventions under the direction and supervision of a physical therapist**

B The assistant independently evaluates patients and establishes a diagnosis

C The assistant may practice without a license if employed by a hospital

D The assistant may perform any procedure reserved to a physical therapist

ANSWER **A**

WHY A physical therapist assistant provides selected interventions under the direction and supervision of a licensed physical therapist and must hold the required Ohio credential.

QUESTION 5 SINGLE CHOICE

Who is responsible for interpreting the physical therapy evaluation, establishing the plan of care, and determining the appropriate frequency of treatment?

A **The physical therapist**

B The physical therapist assistant

C The patient

D The referring physician

ANSWER **A**

WHY The physical therapist is responsible for evaluating the patient, establishing the plan of care, and determining appropriate interventions and frequency, while delegating selected interventions to an assistant as permitted.

QUESTION 6 SINGLE CHOICE

A physical therapist discovers that a colleague has documented treatment that was not actually provided. What is the most appropriate response?

A **Report the suspected falsification through the appropriate professional or regulatory process**

B Change the colleague's records without authorization

C Ignore the issue unless the patient complains

D Post the colleague's personal information on social media

ANSWER **A**

WHY Falsifying patient records violates professional and legal obligations. The concern should be addressed through the appropriate regulatory or professional process.

QUESTION 7 SINGLE CHOICE

Under Ohio law, when may a physical therapist disclose a patient's protected health information without the patient's authorization?

- **A** **When an applicable legal exception permits or requires disclosure**
- **B** Whenever another healthcare professional requests it
- **C** Whenever a family member asks for it
- **D** Whenever the therapist believes the information may be useful

ANSWER **A**

WHY Patient information generally requires authorization or another legal basis for disclosure. Ohio and federal privacy rules provide specific exceptions, such as certain treatment, payment, health-care operations, or legally required disclosures.

QUESTION 8 SINGLE CHOICE

A physical therapist is renewing an Ohio license. What is generally required in addition to submitting the renewal application and fee?

- **A** **Fulfilling the applicable continuing-education and renewal requirements**
- **B** Passing the national physical therapy examination again
- **C** Obtaining a new Ohio physician referral for every patient
- **D** Changing the license to inactive status

ANSWER **A**

WHY Ohio license renewal requires compliance with the applicable renewal requirements, including continuing education and any other requirements established by the Ohio State Board of Physical Therapy.
