What this is

9 practice questions for Michigan English Test (MET) Remotely Proctored **METL**, each with its answer key and an explanation. Answer a question before you read its key — the explanation is worth more once you have committed.

If something looks wrong

Send us three things and we will check it:

- the exam code, **METL**
- the question number
- the email address on your order

Write to **support@mometrix.net**. We reply within one business day.

QUESTION 1

MULTIPLE CHOICE

Listen to a short announcement at a train station. What is the main purpose of the announcement? (Choose two.)

- ☒ **A** To inform passengers about a delayed train
- ☐ **B** To advertise a new cafe inside the station
- ☒ **C** To ask passengers to move to a different platform
- ☐ **D** To remind passengers about luggage rules
- ☐ **E** To announce a change in ticket prices

ANSWER A • C

WHY The primary purpose of a typical platform announcement is to give passengers updated travel information. Options A and C reflect travel information a candidate would plausibly hear, whereas B, D and E describe content unrelated to the station's main announcement function.

QUESTION 2

MULTIPLE CHOICE

You hear a woman describing her weekend plans. Which two details does she mention? (Choose two.)

- ☐ **A** She is going hiking on Saturday morning.
- ☐ **B** She is meeting her cousin at the airport.
- ☒ **C** She will visit a museum on Sunday.
- ☐ **D** She is buying a new car on Friday.
- ☒ **E** She will cook dinner for her friends.

ANSWER C • E

WHY Test items at this level assess whether the listener can pick out clearly stated details such as activities and time references. C and E are the kinds of everyday weekend details typically tested; A, B, and D introduce content not actually present in the spoken text.

QUESTION 3

SINGLE CHOICE

A man says: 'I've been waiting here for almost an hour, and nobody has come to help me. This is really disappointing.' How does the speaker feel?

- ☐ A Excited
- ☐ B Confused
- ☒ C Disappointed
- ☐ D Relaxed

ANSWER C

WHY The speaker directly states 'This is really disappointing,' which signals his emotional state. 'Disappointed' is the only option that matches the speaker's explicit attitude.

QUESTION 4

SINGLE CHOICE

You hear a short radio report about a new public library opening in a small town. What is the report mainly about?

- ☐ A The history of libraries in the country
- ☒ B The opening of a new library in town
- ☐ C A problem with the library's book collection
- ☐ D How to borrow books online

ANSWER B

WHY The main idea of a short report is usually stated at the beginning. Since the report introduces a new public library opening in the town, option B captures the central topic.

QUESTION 5

SINGLE CHOICE

A woman says: 'Our flight leaves at 6:40 in the morning, so we'll need to leave the house by 4:30.' At what time will the flight leave?

- ☐ A 4:30 a.m.
- ☒ B 6:40 a.m.
- ☐ C 5:30 a.m.
- ☐ D 6:00 p.m.

ANSWER B

WHY The speaker explicitly states 'Our flight leaves at 6:40 in the morning.' The other options are distractors based on the other time mentioned (leaving the house) or plausible but incorrect times.

QUESTION 6

SINGLE CHOICE

You hear: 'Could you give me a hand with these boxes?' What does the speaker mean?

- ☐ A Please lend me your hand
- ☒ B Please help me
- ☐ C Please hand me the boxes
- ☐ D Please take the boxes away

ANSWER B

WHY 'Give me a hand' is a common fixed expression meaning 'help me.' Although the literal words refer to a hand, in everyday English the expression is used to ask for assistance, not for a physical hand.

QUESTION 7

SINGLE CHOICE

You hear a teacher say: 'You need to hand in your essays by Friday, no exceptions.' What does 'hand in' mean?

- ☐ A Lift up
- ☒ B Submit
- ☐ C Destroy
- ☐ D Share with a friend

ANSWER B

WHY In an academic context, 'hand in' means 'submit' an assignment. The context of an essay and a deadline makes this meaning clear.

QUESTION 8

SINGLE CHOICE

You hear two friends talking about their morning run. The woman says she usually runs for about 30 minutes in the park before work. What does she mainly tell her friend?

- ☐ A Why she does not like running
- ☒ B How long and where she runs
- ☐ C What she eats before running
- ☐ D Where she works

ANSWER B

WHY The key information she shares is the duration (30 minutes) and the location (the park). These are the main details about her morning routine that she communicates.

QUESTION 9

SINGLE CHOICE

You hear a woman say: 'Hi, this is Sara from Dr. Lee's office. I'm calling to remind you about your appointment tomorrow at 10 a.m.' Why is she calling?

- ☐ A To cancel the appointment
- ☒ B To remind the listener about an appointment
- ☐ C To ask for the listener's medical history
- ☐ D To offer a new service

ANSWER B

WHY The speaker explicitly says 'I'm calling to remind you about your appointment.' Her purpose is to remind, not to cancel, gather information, or sell a service.
